

Capturing Kids' Hearts is a power-packed 3-day workshop that will energize and invigorate you, providing skills and strategies to help you and your students achieve higher levels of success. Capturing Kids' Hearts is offered throughout the year at a wide variety of venues to accommodate the diverse geographical locations of our participants. We're sure you'll find a date and location ideally suited for your group. By special request we can also schedule a training session (off campus) for your district. Contact our office for more information.

Capturing Kids' Hearts is offered in two distinct workshop models. Each presents the same process, but in a different format. The Day Model, usually held at a hotel or conference center, does not include lodging and meals. The Retreat Model is held in a retreat setting and does include lodging and meals.

After attending Capturing Kids' Hearts training you will be eligible to apply for up to 3 semester hour graduate credits. Also, the training gives you 21 contact hours, for continuing education purposes.
